head mounting universal input 4~20ma transmitter	83
isolated head mounting universal input 4~20ma transmitter	83
isolated din rail mounting universal input 4~20ma transmitter	84
isolated din rail mounting universal input/output transmitter	85
configuration kit for head/din rail mounting transmitters and universal indicators	86
din rail mounting 24v power supply	86
over voltage protector/isolator	86
solid state relays	87
low cost programmable digital thermostats	88
lcd thermocouple indicator	88
4-digit dual display pid temperature controllers	89
high accuracy lcd display fuzzy + pid temperature/process controllers	90-91
wall/duct humidity/temperature transmitters	92
hand-held infrared laser thermometers	93
fixed position infrared thermometers	94-95
